- The information in the tables to which this statement is attached that relates to Exploration Results is based on information compiled by Garry Snow, who is a member of the Australasian Institute of Mining

and Metallurgy a full-time employee of Barrick Gold Ltd., and has sufficient experience which is relevant to the style of mineralisation and type of deposit under consideration and to the activity which they are undertaking to qualify as Competent Persons as defined in the 2004 Edition Revised edition of the “Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves”. This report was compiled by Dr Ian Robertson who is a Fellow of the Australasian Institute of Mining and Metallurgy and AIG who is a full time employee of Rand Mining N.L. and has sufficient experience which is relevant to the style of mineralisation and type of deposit under consideration and to the activity undertaken to qualify as a Competent Person. Garry Snow and Ian Robertson consent to the inclusion in the report of the matters based on their information in the form and context in which it appears.

Yours faithfully
Rand Mining NL

A handwritten signature in blue ink, appearing to read 'A Billis', with a large, stylized flourish at the end.
